

SWISH U10 BASKETBALL

Players & Parents:

You are invited to participate in our 2017 Team Tryouts for the WISCONSIN SWISH AAU U10 4th grade boys basketball team!

The SWISH non-profit organization has been teaching winning basketball to U10-U17 boys across Wisconsin since 2011.

www.WISCONSINSWISH.com

The SWISH philosophy is to: play as a team, play hard and fair, learn the game, improve basketball skills and HAVE FUN doing it!

For the 2017 U10 team, we will be playing in ~10 tournaments in Milwaukee, Waukesha, Kenosha & Madison, and in a weekly summer league. Our season will start in March & end in July. As some boys also play spring soccer or baseball, we will do our best to reduce the number of conflicts for practices & games.

PROGRAM HIGHLIGHTS:

SWISH U10 Coach George Kalfayan has a long history in playing, managing and coaching basketball. Coach Kalfayan has been coaching youth basketball from the 1st grade to 11th grade level in the Wisconsin area since 2009. We will play in weekend tournaments, in a summer league at Waukesha Center Court and practice 1-2 nights per week (Tuesdays, Wednesdays or Fridays). Make new friends, develop your skills and take your game to another level!

Team Fees per Full Time Player: ~\$450 (includes uniforms, practice time, tournament & summer league fees). ~\$225 fees for part time Reserve Players.
